## S.D.N.Y. Local Rule 26.2 Communications Privilege Log of Plaintiff Chevron Corporation

## Chevron Corp. v. Salazar, et al., No. 11-CV-03718 (LAK)

Pursuant to Federal Rules of Civil Procedure 26, 33, 34, 37, and S D N Y Local Rule 26.2 and 26.3, Plaintiff Chevron Corporation ("Chevron") hereby propounds the underlying privilege log asserting the attorney-client privilege, the work product doctrine, the common interest doctrine, the State of California or any other applicable state privacy privilege, and any other applicable privilege or immunity for only such communications, DOCUMENTS, or other tangible things that are non-objectionable, relevant, and responsive to Defendants' First Requests for DOCUMENT Productions, First Request for Interrogatories (as revised), and First Requests for Admission. Certain categories and date ranges of communications, DOCUMENTS, or other tangible things may include some DOCUMENTS or other materials subject to objection by Chevron, or that are not necessarily relevant or otherwise responsive. By including certain categories or date ranges on this privilege log, Chevron does not waive, and hereby expressly reserves, any applicable objections, including but not limited to relevance, responsiveness, burden, and scope. The underlying privilege log contains terms further defined in the concurrently served Appendix to Chevron's Privilege Log, incorporated by reference herein.
